You are receiving this notice in lieu of your registration renewal notice, to make you aware that the vehicle shown above must pass a **state inspection** before you may obtain registration. Registration on this vehicle is due for renewal before the last day of «Month»«Year».

After completing the inspection, you may obtain registration at your local county tax office with this notice and the Vehicle Inspection Report (VIR) provided by the inspection station.

If the vehicle shown has a current, passing inspection, you may renew online at www.Texas.gov or at your local county tax assessor-collector's office. If unable to renew online, provide this notice and the VIR at your county tax office at the time of registration.
